

## Testimonial for CEDAR Talent Management

The NHS NW Leadership Academy has dealt with CEDAR Talent Management for the last two years and continues to work with them on an ongoing basis.

During this time the levels of service and support offered to us by CEDAR has been exemplary. They are always happy to help and be part of discussions to improve our organisation and the service we offer.

They frequently support us in our promotional events and we are happy for them to liaise directly with our customers if specific queries arise.
